

"Ask HCA"

DINE-and-DISCUSS Statewide Road Show

Come see us at a location near you, enjoy a meal or a snack, and chat about what's on your mind!

HCA's hitting the road to meet members and to hear what's on your minds at ten locations covering every region of the state.

In June and July, we're inviting you to meet up with us at local restaurants and other informal settings **near you** where there's no pre-planned agenda – just a time and a place, over a meal or a snack, to discuss your concerns, your ideas and your input for HCA's continued work on your behalf.

Each session, complimentary with your HCA membership, will have representatives from the HCA policy and operations teams to listen-in, discuss your ideas and answer your questions.

How to Join Us

Please visit the online link below and pick one of the locations that's closest to you! A list of times and locations are printed at right. (We'll have more specific venue selections soon, each offering group dining and a comfortable setting to chat.)

<https://www.surveymonkey.com/r/ASKHCA>.

Please limit your registration to **one or two people from your organization**, so that this session can be a small, intimate conversation.
