

# VNAA Clinical Procedure Manual

Expert guidance, specifically for home health & hospice care.

## Current. Comprehensive. Convenient.

VNAA's Clinical Procedure Manual is the most important resource you need for home health and hospice clinical procedures.

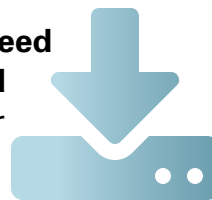

### Why VNAA's Clinical Procedure Manual is your solution:

**More than 300** step-by-step, standardized procedures put the latest best practices at your fingertips.

**Reliable, standardized procedures** create a pathway for complete, measurable care. VNAA's CPM prepares clinicians to safely and efficiently perform the latest complex procedures in the home health care & hospice setting.

**50+ experts, 300+ procedures, available when you need it, where you need it.** Now a **fully downloadable and searchable electronic tool** that's accessible wherever you are—with or without an Internet connection.

**You'll always be prepared.** New step-by-step, detailed format activates critical thinking, patient engagement, documentation, care coordination and follow-through.

**Incorporates clinician resources and patient engagement tools from the VNAA Blueprint.** Up-to-date, expertly researched and referenced topics and procedures put the most current best practices at the fingertips of every home health and hospice clinician.

**Contact VNAA at [cpm@vnaa.org](mailto:cpm@vnaa.org), or call (571) 527-1534**

Visiting Nurse Associations of America • 2121 Crystal Drive, Suite 750  
Arlington, VA 22202 • 1 (888) 866-8773
