Be among the elite group of billers that are current on all Hospice Medicare billing regulations. Billing is a very critical part of hospice reimbursement. This webinar series will lay a concrete foundation for hospice billers, as well as, any hospice staff that need to more effectively understand the Medicare regulations. The series will include Medicare eligibility, field by field on Notice of Election and claim forms and sequential billing requirements. Billing requirements to deal with late NOEs will be covered. We will review the regulations for billing all hospice services, face-to-face encounters and additionally home health providing care while a patient is on service with hospice. The program will conclude with many of the day-to-day scenarios that billers face such as: revocations, HIS, and self-reporting the cap. Information regarding Palliative Care billing will be discussed. If you are part of revenue cycle management in hospice this webinar series is a must!
