Annual Dues

HCA Provider dues are for a calendar year, based on the agency's total patient care revenue reported from your most recently completed fiscal year (Fiscal Year 2018 Cost Report). If an agency has affiliated entities, the agency must add the revenue of ALL affiliates including but not limited to payment from MLTC, MCO, Home Care agencies, Medicare, Medicaid and private pay (but excluding impatient institutional and adult day care) to the agency's revenue to determine the total home care patient revenue. **Mandatory inclusion of the agencies audited, consolidated financial statement, including the functional schedule (related to home care) must be included with this application. HCA will not disclose this information for any purpose to any provider or any entity outside the Association**.
