

Applying for Medicaid Provider Relief Funding Under the CARES Act

WEBINAR

JULY 10, 2020

11:00AM – 12:00PM EST

Presented by

Koy Dever, Principal, BKD

With over 20 years of experience assisting clients with Medicaid and Medicare reimbursement and regulatory issues, Koy has been dedicated to cultivating and maintaining a detailed understanding of long-term care reimbursement methodologies including Medicare, Medicaid, Medicare Advantage and Medicaid Managed Long Term Care. With this subject matter expertise, Koy assists clients with strategic planning considerations and finance department education and support.

As BKD's Healthcare Industry Group leader for NY, Koy is involved in identifying and prioritizing initiatives designed to reinforce and grow healthcare service offerings. In this role, she also participates in National health care planning efforts and knowledge sharing.

The U.S. Department of Health and Human Services (HHS) has made available \$15 billion of Provider Relief Funding to help eligible Medicaid and Children's Health Insurance Program (CHIP) providers with certain health care expenses and lost revenue due to the COVID-19 pandemic. HHS has clarified that agencies that bill Medicaid fee-for-service or Medicaid managed care plans (and meet other criteria) are eligible, which in New York State would include Licensed Home Care Services Agencies; Certified Home Health Agencies who did not receive any funding under the prior \$50 billion General Distribution payments; and home and community-based waiver providers.

This webinar will offer the latest information on eligibility criteria, navigating the application process, terms and conditions, reporting and audit requirements, as well as frequently asked questions.

Eligible providers are encouraged to apply for this funding as soon as possible but no later than July 20, 2020.
